# ORTHODOX TRADITION

## A Brief Description

The Orthodox Tradition site provides video resources that support and explain our belief in the unchanging Christian Faith and the teachings of the Holy Fathers. Videos include the live streaming of services as well as messages given by his Eminence, Metropolitan Demetrius.

Orthodox Tradition is affiliated with the Church of the Genuine Orthodox Christians (GOC) of America. The GOC is the traditionalist Orthodox Church serving the faithful of North and South America following the old (Julian) calendar.
